

CREATIVE HEARTBEATS

A NEW NONPROFIT EMPOWERING
INDIVIDUALS LIVING WITH
CONGENITAL HEART DISEASE

Your Creativity, Your Impact

Our unique, project-based program focuses on team collaboration

1

Unleash Creativity

- Explore projects in filmmaking, coding, design, music, AI, XR, and more!
- Develop in-demand digital skills and build a strong portfolio
- Experience the "positive flow" of expression and innovation

Build a Network

- Connect with peers, mentors, and industry professionals
- Join a safe space for expression and growth
- Build lasting connections within a supportive community

2

3

Empower Advocacy

- Address the stigma of CHD
- Gain knowledge to navigate healthcare and workplace rights
- Learn to tell your story and advocate for yourself
